

<b>Name:</b>	Dr. Ho Choon Moy	
<b>Affiliation:</b>	Pantai Hospital Cheras, Malaysia	

Biography

Dr Ho Choon Moy is a Consultant Gynaecologist & Minimally Invasive Gynae Surgeon at Pantai Hospital Cheras in Kuala Lumpur. She is also the current President of the Malaysian Menopause Society and Executive Council of the Asia-Pacific Menopause Federation.

Prior to joining Pantai Hospital, she was a specialist and lecturer at the National University of Malaysia (UKM), where she also graduated as a Doctor in Medicine. She subsequently obtained her post-graduate degree from the Royal College of Obstetricians & Gynaecologists (MRCOG) in London and later became a Fellow at the institution (FRCOG) and also at the International College of Robotic Surgeons (FICRS). Dr Ho's special interests include Preventive Gynaecology, Menopause and Minimally Invasive Gynaecological Surgery. Given her multiple interests, Dr Ho also obtained Masters Degree in Anti-aging and Regenerative Medicine. Dr Ho's awards include "Kesatria Setia DiRaja", "Great Women of our Time" and the "Most Successful Women 2013" in the category of health and wellness.
